"15 seconds of history through the eyes of young people. Castles, barracks and legends" within the Poland-Russia Cross-Border Cooperation Programme 2014-2020

Applicant (Project leader): Olecko District

Implementing unit: Olecko District and Zespół Szkół Technicznych w Olecku.

Project Partner: College of Agrotechnologies and Environmental Engineering in Gusev Russian Federation (Branch in Oziorsk)

Project implementation period: 01.11.2019 – 31.10.2021

The main objective of the project: development of cross-border tourism through better use of historic buildings to promote cultural and historical heritage of Olecko and Oziorsk.

The main effects of the project

The implementation of the project results from the need to renovate public schools for young people - the historic "Castle" at Technical School Complex in Olecko and the school in Oziorsk - former military barracks.

As part of activities on the Polish side, renovation of the facade of the historic "Castle" and replacement of windows was planned. In Oziorsk, the school surroundings, the museum and the conference room will be renovated, and conference and concert facilities will be purchased.

Soft activities accompanying the infrastructure component are the organization of a conference opening the project in Olecko, 4 exchanges of good practices and the Small Cities Tourism Festival in Oziorsk.

As part of the project, students and teachers will learn about the regions on both sides of the border and will prepare promotional materials for the facilities. In addition, a publication will be prepared

about the Olecko "Castle", which will allow the dissemination of little-known documents, map sketches, photos and information. The project will be implemented in cooperation with the OSA Association "Castle" from Olecko, which will share with the Russian partner the experience in creating the museum chamber.

Total value of the project: EUR 761 197.57.

Project co-financing: EUR 685 777.72

Project leader: EUR 444 470.04

Project partner: EUR 316 727.53
